

Greenline Technologies Announcement for:

Business Development Executive Telco Sector – Democratic Republic of the Congo.

- We are looking for a resilient, empathic business development executive to contribute to the growth of our company. Business development executives are responsible for finding and retaining clients, encouraging extant clients to purchase added products or features, and remaining abreast of changes in consumption. You will also be required to build capacity in staff through regular training and mentorship.
- To be successful as a business development executive, you should attend networking events with the intention of attracting and retaining clientele. Ultimately, an outstanding business development executive will keep a close eye on clients' feedback to ensure that our products and services always exceed expectations.

Business Development Executive Responsibilities:

- Create, develop, and execute a pro-active sales strategy for assigned accounts
- Day-to-day management of existing accounts
- Identify, develop and follow-up new business opportunities
- Lead demos and meetings with existing and prospective customers
- Monitor the activities of prospective clients and competitors
- Lead and coordinate proposal preparations with co-operation and support from other departments (pre-sales, R&D, implementation, support, etc.) to prepare on-time, high-quality offers
- Contract negotiations

Business Development Executive Requirements:

- Degree in IT Sales, business administration, or similar.
- 3—5 years sales experience from a reputable IT company.
- Excellent knowledge of Local and global telecommunications market
- Intuitive and insightful, particularly regarding human behavior.
- Ability to generate revenue by identifying pain points and suggesting suitable products or services.
- Professional yet affable disposition.
- Neat, well-groomed appearance.
- Great networking skills.

- Excellent written and verbal communication.
- Resourceful, with outstanding research skills.
- Emboldened by challenges.
